Comprehensive Family, Education, Career, Marriage & Institutional Network Profile

Rebuilt October 5, 2026 | Public-source research

Research standard

This profile is designed as a companion to the Kenneth Wesley Burns report. It separates documented facts, public-source reporting, user-supplied public material, and unresolved points. Family relationships are included to map institutional networks; the conduct of one relative is not attributed to another. Criminal-history sections distinguish charge, plea, conviction/disposition, sentence, and later release. Political or industry connections are described only where a source documents the connection.

2. Northmarq career and healthcare real-estate specialization

Northmarq's current biography describes a rapid progression from graduation into its National Healthcare Group. It states that Trevor joined Northmarq immediately after graduation as a Research Analyst, moved to Investment Analyst, underwrote hundreds of millions of dollars in healthcare real-estate transactions, and was promoted to Associate in January 2026.

3. TU -> Stan Johnson -> Northmarq institutional chronology

This chronology is useful for tracking institutional proximity, but it is not evidence that a specific person secured Trevor's job. The relevant public facts are that TU's real-estate

ecosystem exposed students to commercial real-estate employers, Northmarq acquired Stan Johnson Company in October 2022, and Trevor joined Northmarq after graduating in 2023.

Date	Institutional event
2021-22	TU Real Estate Club programming included commercial real-estate speakers and career-networking activity, including a Stan Johnson Company connection documented in TU's archived events.
Fall 2022	TU's developing undergraduate real-estate program overlapped with Trevor's final academic year.

4. Immediate family and professional / institutional connections

Father	Don Burns	McGraw REALTORS professional. Current Tulsa REALTORS pages list Don Burns on the Government Affairs Committee and GTAR Bylaws Committee.

Maternal cousin	Blake Kenneth Hagin	Extended Hagin family member whose 2017 Tulsa County drive-by-shooting prosecution and later disposition are documented in the companion research.
Spouse / wedding partner	Sydney Amann	Public Zola site identifies Sydney and Trevor and lists an August 1, 2026 Tulsa pre-wedding celebration before an intimate Italy ceremony.

5. Hagin family lineage relevant to Trevor

The Hagin family history is relevant because Trevor's maternal line sits inside the leadership history of Kenneth Hagin Ministries and Rhema. Rhema's own historical material identifies Craig Hagin and Denise Burns as the son and daughter of Kenneth W. and Lynette Hagin. The companion Wesley report documents the same lineage and identifies Kenneth E. Hagin as the maternal great-grandfather in the Burns/Hagin family map.

Generation	Person(s)	Connection to Trevor	Public institutional significance
1	Kenneth E. Hagin	Maternal great-grandfather	Founder associated with the Kenneth Hagin Ministries / Rhema institutional legacy.
2	Kenneth W. Hagin + Lynette Hagin	Maternal grandparents	Senior Rhema/KHM leadership and international ministry/ training network.
3	Denise Hagin Burns + Don Burns	Parents	Rhema executive/family-ministry leadership on maternal side; Tulsa real-estate / REALTOR committee connections on paternal side.
3	Craig W. Hagin	Maternal uncle	Former KHM/Rhema senior leadership; separate 2026 criminal case and subsequent ministry removal.
4	Blake Kenneth Hagin	Maternal cousin	Separate 2017 criminal prosecution and documented Tim Harris legal/political-network connection.
4	Kenneth Wesley Burns	Brother	ORU Finance / Rhema work-ministry pathway; officiated Trevor's Florence ceremony.
4	Donald Trevor Burns	Subject	TU Finance + Real Estate -> Northmarq National Healthcare Group.

6. Craig W. Hagin - relationship, leadership history and 2026 criminal case

Craig W. Hagin is Denise Hagin Burns's brother and Trevor's maternal uncle. The inclusion of his criminal case is limited to accurately documenting the extended family/institutional history; it is not evidence about Trevor.

Date	Documented event	Status / distinction
Before 2026	Craig held senior Rhema/KHM roles, including Chief Operating Officer and pastoral leadership.	Institutional role; not criminal conduct.
March 2026	Craig and Mia Hagin were arrested and charged in Tulsa County in an animal-cruelty case involving animals found at a residence they owned.	Filed criminal charges; a charge is not a conviction.
June 2026	Rhema publicly ended Craig's employment and association with the ministry, stating it had become aware of separate information it considered inconsistent with ministry leadership standards.	Employment/ministry action; distinct from the criminal disposition.
July 7, 2026	Craig pleaded no contest after the animal-cruelty case was resolved through amended misdemeanor disturbing-the-peace counts.	No-contest plea / amended misdemeanor disposition.
Sentence	Reporting states $100 per count plus court costs and completion of an animal-cruelty-prevention course.	Reported final sentence on the amended counts.

7. Blake Kenneth Hagin - relationship and 2017 criminal case

Blake Kenneth Hagin is identified in the companion research as Trevor's maternal cousin. The Frontier reported in 2017 that Blake, a great-grandson of Kenneth E. Hagin, was charged after

a Broken Arrow home was fired upon more than 20 times. Former Tulsa County District Attorney Tim Harris told The Frontier that he had negotiated on behalf of the Hagin family. That documented involvement is a legal/political-network connection; standing alone, it does not prove improper influence.

Date	Documented event	Status / significance
March 2017	Charged with use of a vehicle in discharge of a weapon in connection with a Broken Arrow drive-by shooting.	Filed felony prosecution.
July 2017 reporting	Former Tulsa County DA Tim Harris said he was authorized by the family to negotiate on its behalf.	Documented family-to-former-DA legal/ political connection.
Nov. 2017	Companion court-record research states Blake entered a blind guilty plea.	Guilty plea; no jury trial.
Sentencing	Companion research documents an eight-year prison sentence.	Custodial sentence.
Later disposition	Companion research documents early release with the remainder reported as probation.	Correctional disposition; not characterized as favoritism without comparative evidence.

8. Marriage to Sydney Amann

Public wedding material establishes a two-stage celebration. Sydney Amann and Trevor Burns's Zola page lists a Tulsa pre-wedding celebration at Oaks Country Club on Saturday, August 1, 2026 and states that the couple would have an intimate wedding ceremony in Italy. User-supplied public material places that ceremony in Florence, Italy, in September 2026 and records Kenneth Wesley Burns publicly stating that he officiated his brother's wedding.

Event	Date / place	Documentation status
Pre-wedding celebration	August 1, 2026 - Oaks Country Club, Tulsa, Oklahoma	Directly supported by the couple's public Zola schedule.
Wedding ceremony	September 2026 - Florence, Italy	Supported by user-supplied public material; month and city recorded for this research.
Officiant	Kenneth Wesley Burns, Trevor's brother	Supported by Wesley's public statement that he officiated his brother's wedding.
Legal marriage date	Not independently established	Do not substitute the Aug. 1 pre-wedding celebration date for the legal-marriage date.

Privacy boundary: this profile does not attempt to build a separate personal dossier on Sydney Amann. Her name and wedding information are included only to document Trevor's publicly announced marriage and the family timeline.

9. Political, policy and industry-facing connections - evidence level

Connection	What is documented	What is NOT established
Don Burns -> GTAR Government Affairs	Tulsa REALTORS currently lists Don Burns of McGraw REALTORS on its Government Affairs Committee.	This does not establish Trevor's political party affiliation or political activity.
Don Burns -> GTAR Bylaws Committee	Tulsa REALTORS currently lists Don Burns on the GTAR Bylaws Committee.	Committee service is not evidence of wrongdoing or a conflict involving Trevor.
GTAR / RPAC environment	Tulsa REALTORS describes its Government Affairs and RPAC functions as industry advocacy and candidate-support activity.	No source reviewed here establishes that Trevor personally serves on RPAC or makes political contributions.
Blake case -> Tim Harris	The Frontier documented former Tulsa County DA and then-congressional candidate Tim Harris negotiating on behalf of the Hagin family.	This fact alone does not prove preferential treatment.
TU / CRE employer network	TU real-estate programming exposed students to industry speakers and employers; Trevor then entered Northmarq after graduation.	This does not prove nepotism or that any family member arranged his employment.

10. Consolidated timeline

12. Analytical boundary

This report maps publicly documented family, education, ministry, real-estate, legal, and institutional connections. It does not attribute Craig Hagin's or Blake Hagin's conduct to Donald Trevor Burns. It does not assign Trevor a political affiliation based on his father's REALTOR committee service, the Hagin family's ministry relationships, Tim Harris's involvement in Blake's case, or Trevor's commercial-real-estate career. Any claim of favoritism, coordinated political influence, financial conflict, or institutional misconduct requires evidence beyond the relationships and public records summarized here.
