Lynette Hagin

Public Leadership, Family, Location, and Estimated Financial-Profile Research | Updated

Prepared June 23, 2026 | Public records, public-source review, and clearly labeled financial modeling

Update scope: This edition adds a cosmetology-license lead and a separate estimated-financial-profile section. It distinguishes (1) documented facts, (2) national or occupational benchmarks, (3) third-party organization estimates, and (4) illustrative scenarios. Scenario figures are not proof of personal income, ownership, or net worth.

1. Identity and Name Record

Public sources consistently identify the subject as Lynette Tipton before marriage and Lynette Hagin after marriage. Texas public cosmetology-operator data includes “HAGIN, LYNETTE CAROL,” which supports the use of Carol Lynette Hagin as a licensing-record name variant. This report does not treat the licensing entry alone as a certified birth-name or vital-record substitute.

Name / variant	Status in this report	Source basis
Carol Lynette [Tipton/Hagin]	User-provided; not independently verified in reviewed public sources	User statement; do not cite as public-record fact without vital/court record.
Lynette Tipton	Verified public pre-marriage name	Official Rhema history records marriage to “Lynette Tipton” on Dec. 30, 1965.
Lynette Hagin	Verified public post-marriage/professional name	Official Rhema, Rhema Bible Church, and obituary sources.
Rev. Lynette Hagin	Verified ministry title used publicly	Official Rhema/Rhema Bible Church biographical pages.

2. Verified Immediate Family and Family-of-Origin Record

The strongest family documentation comes from the 2002 obituary for Rev. V. E. Tipton and Rhema historical materials. The public record establishes the family relationships listed below; it does not establish every aunt, uncle, cousin, household address, family income, or property interest.

Relationship	Name	Verified public detail	Location / time anchor
Father	Rev. V. E. Tipton	Minister for 62 years; pioneered three churches; founding pastor of Southside Assembly of God.	Garland, Texas; founded Southside in July 1951; retired 1993; died Aug. 21, 2002.
Mother	Mary Ella Tipton	Named as V. E. Tipton’s wife of 70 years.	Associated with the Garland, Texas family household in obituary context.
Siblings	Gary Tipton; Joanne Smith	Both named as children of V. E. and Mary Ella Tipton.	Gary listed with Rowlett, Texas connection in 2002 Rhema memorial material; Joanne Smith listed in obituary.
Spouse	Kenneth W. Hagin	Official Rhema history records marriage on Dec. 30, 1965.	Garland, Texas.
Children / grandchildren	Not fully itemized here	The 2002 obituary reports V. E. Tipton had 8 grandchildren and 6 great-grandchildren, but does not allocate all	Do not infer a complete child/grandchild list from that aggregate count.

		descendants by adult child.	

3. City-and-State Chronology: Family, Marriage, and Ministry

This is a city-level chronology drawn from official Rhema historical materials and an obituary. It does not identify private residential street addresses. “Documented connection” means the location is directly named by a source; it does not necessarily prove uninterrupted residence.

Period	City / state	Documented connection	Confidence
1949 and earlier family-ministry link	Sachse, Texas	Kenneth E. Hagin’s first field-ministry sermon was at a church pastored by Rev. V. E. Tipton; this supports an established Tipton-Hagin family connection before the marriage.	High - official ministry history.
1951-1993	Garland, Texas	V. E. Tipton founded and pastored Southside Assembly of God; official and obituary sources identify Garland as the Tipton family’s ministry base.	High - official ministry history and obituary.
Dec. 30, 1965	Garland, Texas	Kenneth W. Hagin and Lynette Tipton married; official history says the Hagins traveled to Garland for the reunion and marriage narrative.	High - official ministry history.
1966-1971	Garland, Texas	Kenneth W. Hagin managed the home office of the association and assisted his father-in-law; he later returned as associate pastor at Southside. Lynette’s location is family-context evidence, not a separate employer record.	High for Kenneth W. roles; moderate for household context.
June 1972	Tulsa, Oklahoma	Kenneth W. Hagin accepted the role of Crusade Director for Kenneth Hagin Ministries. This marks the documented ministry-operational shift to Tulsa.	High - Rhema historical timeline.
Sept. 1974 onward	Broken Arrow / Tulsa metro, Oklahoma	Rhema Bible Training Center began its first school year; later official materials locate the institution and connected ministries in Broken Arrow.	High for institutional location; avoid treating as a private residential address.
May 1982 onward	Broken Arrow / Tulsa metro, Oklahoma	Lynette Hagin was named Director of Rhema Bible Training Center.	High - official Rhema history.
1985 onward	Broken Arrow, Oklahoma	Rhema Bible Church began; official biographies describe Lynette assisting in pastoring and later as senior-pastor leadership alongside Kenneth W. Hagin.	High - official Rhema materials.
Current public institutional base	Broken Arrow, Oklahoma	Official biographies list Rhema Bible Church / RBTC / Kenneth Hagin Ministries in Broken Arrow; third-party sources list 1025 W. Kenosha as headquarters.	High for city; exact address omitted from body.

4. Education, Professional Experience, and Ministry Resume

Year / period	Role or education	Organization / place	Evidence and limits
1965	Marriage and family transition	Garland, Texas	Marriage verified; not a

			professional role.
No verified early credential located	Education	Not established by reviewed public sources	A Garland High School alumni list includes “Lynette Tipton (Hagin)” in the Class of 1963 directory, but the directory is user-managed; this report treats it as a lead, not conclusive graduation proof.
May 1982	Director	Rhema Bible Training Center	Official Rhema history identifies the appointment.
1985 onward	Church leadership / pastor support	Rhema Bible Church, Broken Arrow, Oklahoma	Official biographies state she assists Kenneth W. Hagin in pastoring.
Current public biography	Director, RBTC USA; General Manager, Kenneth Hagin Ministries; author; teacher; conference speaker; cohost	Rhema / Kenneth Hagin Ministries	Official bios describe these titles and program roles.
Ongoing	Conference and media work	Living Faith Crusades; Kindle the Flame; Rhema Praise; Rhema for Today	Official materials identify cohosting and conference activity; 2014 source reports travel to 11 cities for Living Faith Crusades.
Texas cosmetology license record - date not established	Cosmetology operator credential / hair services income lead	Texas public licensing database	Texas Department of Licensing and Regulation public cosmetology-operator data contains an entry for “HAGIN, LYNETTE CAROL,” consistent with the public name used in this report. The downloaded/searchable public record does not establish original issue date, school, salon employer, license status history, disciplinary history, or actual earnings. It supports a credential lead and is consistent with the reported hair-income testimony; it does not prove the amount or period of income.

5. Income, Revenue, and Net-Worth Evidence Matrix

This is the section added in response to the request for actual numbers. It keeps personal income separate from organizational estimates. A blank or “not disclosed” entry does not mean $0; it means no reliable public record establishing a dollar amount was located.

Question	Number available	What the number covers	Reliability	How it may be used
Lynette’s starting income upon entry into ministry	Not publicly disclosed	No source reviewed gives a first salary, stipend, honorarium, or household income for Lynette at marriage,	No verified figure	State “not publicly disclosed”; do not substitute husband’s or ministry income.

		early ministry, or her 1982 director appointment.		
Lynette's current individual salary	Not publicly disclosed	No tax filing, audited compensation schedule, employment contract, or official salary disclosure located.	No verified figure	Do not estimate personal pay from job-title websites.
Lynette's personal current net worth	No credible public estimate located	No probate, tax, asset schedule, or credible biographical net-worth source located.	No verified figure	State "not publicly established."
Kenneth Hagin Ministries estimated annual revenue	US$10 million-US$50 million	Commercial directory estimate for the organization, not a personal-income figure.	Low / third-party estimate	May be included only as "third-party organization revenue range; unverified."
Rhema Bible Church estimated annual revenue	US$5 million-US$10 million	Commercial salary/revenue website estimate for the church, not a personal-income figure.	Low / third-party estimate	May be included only as "third-party organizational estimate; unverified."
Rhema Bible Church modeled "President" salary	US$668,801/year	A salary website's generic role model; it does not identify Lynette Hagin, confirm actual pay, or provide a source record.	Very low / not person-specific	Include only to explain why it is excluded; do not present as her salary.
Public transparency context	No public audited statement / compensation disclosure located in reviewed sources	MinistryWatch lists Kenneth Hagin Ministries in its F-transparency list based on its published criteria; this is not proof of misconduct or personal wealth.	Moderate for the stated transparency assessment	Use to explain why personal income cannot be responsibly calculated from public filings.

6. Parents' Work, Income, and Financial Context

Father: Rev. V. E. Tipton was a career minister. Public sources describe 62 years in ministry, three churches pioneered, and 42 years as the founding pastor of Southside Assembly of God in Garland. The ministry's 2002 memorial described a 900-seat sanctuary and an 18,000-square-foot Tipton Family Life Center, but neither source discloses his salary, household income, property value, estate value, or net worth. Mother: Mary Ella Tipton is publicly identified as his wife of 70 years; no verified occupation or income record was located in the reviewed sources.

Starting family-income figure: NOT PUBLICLY DISCLOSED. Ending family-income/estate figure: NOT PUBLICLY DISCLOSED. The record supports a long-standing pastoral household and institutional growth; it does not support an honest dollar estimate of the Tiptons' household wealth.

7. Affiliations, Political Activity, Court Records, and Public-Record Limits

Documented affiliations include the Assemblies of God history associated with V. E. Tipton and Southside Assembly, Rhema Bible Training Center, Kenneth Hagin Ministries, Rhema Bible Church, and Rhema Ministerial Association International through the family's ministry work. The reviewed sources did not establish a personal political office, campaign committee, partisan endorsement, or donation history for Lynette Hagin. No verified civil or criminal court disposition attributable to Lynette Hagin was identified in the reviewed sources. This is a source-limited finding, not a claim that no record could exist in any jurisdiction.

8. Accuracy and Publication Rules

- Use “organizational revenue estimate” rather than “Lynette Hagin income.”
- Use “not publicly disclosed” rather than “no income” or “worth $0.”
- Use city and state names only unless a public agency record makes a more precise address materially necessary and lawful to publish.
- Do not treat a third-party salary algorithm, commercial data profile, alumni-directory entry, social-media post, or public allegation as a verified personal financial record.
- Corrections should include a source link, page image, or public record reference and will be reviewed for a revised edition.

Disclosure: This report is a compilation of public-source material for research, education, and accountability analysis. It does not state or imply that a person has committed wrongdoing unless a cited primary record independently establishes that fact. Financial figures are marked as documented, benchmark, third-party estimate, or illustrative scenario. An illustrative scenario is not an audited statement, personal asset schedule, ownership record, tax return, estate valuation, or proof of individual net worth.

10. Estimated Financial Profile: Facts, Benchmarks, and Boundaries

Important distinction. The following tables answer the request for estimated income and wealth ranges, but they do not convert ministry revenue, campus assets, donations, or church property into personal wealth. Religious organizations may hold assets in their own legal names; leadership titles and family relationships do not prove beneficial ownership. Every number below is categorized as documented, benchmark, third-party estimate, or illustrative scenario.

A. Parent household: evidence and an illustrative income band

Verified record: V. E. Tipton was a minister for 62 years, pioneered three churches, and was founding pastor of Southside Assembly of God in Garland from 1951 until his 1993 retirement. Mary Ella Tipton is documented as a longstanding ministry partner, including organ playing, teaching, hospital visitation, and church shepherding. No payroll, W-2, tax return, parsonage value, pension, real-estate record, or estate inventory was located that establishes their actual annual household income or net worth.

Measure	Number / range	Classification	How derived / permitted use
1963 U.S. family-income benchmark	$6,200 median family income	Documented national benchmark	U.S. Census national statistic; not the Tipton household income.
1965 U.S. family-income benchmark	$6,900 median family income	Documented national benchmark	U.S. Census national statistic; not the Tipton household income.
Tipton household working estimate for mid-1960s	$4,500-$7,000 annual gross (1965 dollars)	Illustrative occupational/era scenario - very low confidence	A transparent proxy band of roughly 65%-100% of 1965 national median family income, chosen only to frame a small, locally based pastoral household with no documented compensation. It is not a payroll finding and must not be described as actual Tipton income.
Tipton household current-dollar purchasing-power context	Approximately $45,000-$70,000 in 2026 purchasing-power terms, approximate	Illustrative conversion only	Broad CPI-style conversion for reader context; not an asset calculation and not a statement of current wealth.
Tipton family net worth	$0 not established; actual range unknown	No personal asset evidence	No verified property, savings, pension, life-insurance, debt, business, or probate inventory identified. Do not use the income proxy to claim a net-worth figure.

B. Lynette Hagin entry-to-ministry income and starting resources

The record establishes marriage in December 1965, Kenneth W. Hagin's home-office and associate-pastor work in Garland in 1966-1967, and Lynette's later testimony that the couple's 1966 budget was extremely tight. The Texas cosmetology licensing record gives factual support to a hair-work credential, but no source located proves how many hours she worked, when she worked, or what she earned.

Measure	Number / range	Classification	Interpretation
1965 full-time federal-minimum-wage floor	$2,600 per year ($1.25 x 40 hours x 52 weeks)	Documented wage floor	A general full-time legal wage floor, not proof of Lynette Hagin's cosmetology income.
1965 average weekly wage in covered employment	$109.99/week; about $5,719/year	Documented national wage benchmark	U.S. covered-employment benchmark, not a hairstylist-specific salary and not her

			recorded pay.
Cosmetology-income scenario for a newly licensed/part-time worker	$0-$5,700 gross annual equivalent (1965 dollars)	Illustrative scenario - very low confidence	Range spans no documented active work through an approximate full-time national covered-wage benchmark. It is a planning model, not evidence of actual earnings.
Combined early household-income proxy	$5,200-$12,600 annual gross (1965 dollars)	Illustrative scenario - very low confidence	Combines a minimum-wage-to-average-wage proxy for one income source with a second modest-income proxy. It is not a payroll record for either spouse and should only appear in the report under "illustrative scenario."
Starting personal / household net worth	No defensible public estimate; "limited liquid resources" is the highest-confidence conclusion	Evidence-based conclusion, no dollar figure	The first-person budget account supports financial strain but does not quantify cash, debt, furniture, vehicle equity, savings, or family support. A dollar net-worth estimate would be invented rather than modeled from evidence.

C. Current wealth: what can be estimated, what cannot, and why

Lynette Hagin's current public roles include director of Rhema Bible Training College USA, general manager of Kenneth Hagin Ministries, co-pastoral leadership at Rhema Bible Church, media hosting, conferences, and book/teaching sales. The public record located does not supply her compensation, her spouse's compensation, property ownership, vehicle titles, jewelry/appraisal schedules, investment accounts, retirement accounts, debts, trusts, royalties, or estate plans. Consequently, current personal net worth cannot be validly calculated from the organization's scale.

Requested component	Publicly available number / evidence	Reliability	What it does and does not show
Kenneth Hagin Ministries annual revenue	$10 million-$50 million	Low - commercial third-party organization profile	An unverified organization-revenue range. It is not Lynette Hagin's income, estate, or personal net worth.
Rhema Bible Church annual revenue	$5 million-$10 million	Low - commercial third-party organization profile	An unverified church-revenue range. It is not a personal-asset figure.
Modeled "President" annual pay on salary website	$668,801/year	Very low - generic algorithm	Not person-specific; does not identify Lynette Hagin or prove her compensation. Included only to prevent misuse.
Online estimate found for Kenneth W. Hagin / household context	Approximately $18 million	Very low - unsourced social-media/aggregator claim	Not supported by an audited statement, property schedule, tax return, probate, trust, or court record. It may be quoted only as an unverified online claim, not as a fact about Lynette Hagin.
Homes, real estate, cars, jewelry, investments, retirement, trusts	No verified asset values located in reviewed sources	No current public asset schedule	No calculation is possible without ownership records and values. Do not infer personal ownership from

			ministry facilities, travel, vehicles, product sales, or church programming.
Defensible present personal-net-worth conclusion	Not publicly established	Evidence-based conclusion	No supported dollar range can be honestly attributed to Lynette Hagin. The report may state "unknown; no reliable public personal-asset record located."

D. Publication-safe financial wording

- "Public sources support a modest-to-middle-income pastoral-household context for Lynette Hagin's parents, but no payroll, tax, property, or estate document establishes their actual income or net worth."
- "A Texas cosmetology-operator record under HAGIN, LYNETTE CAROL supports a credential consistent with her account of earning money through hair services; the public record reviewed does not establish the dates or amount of income."
- "The early Hagin household described financial strain in 1966. An illustrative income model using period wage benchmarks yields a broad range, but it is not a verified household-income record."
- "Third-party websites estimate organizational revenue in the millions. Organizational revenue and ministry property are not evidence of Lynette Hagin's personal wealth or ownership."
- "An approximately $18 million online estimate circulates for Kenneth W. Hagin but was not supported by a primary financial record and is treated as unverified, not as a fact."
